Sand Volleyball Court	\$20	\$30	\$50	40
Full SRC	TBD	TBD	TBD	TBD

*See "Additional Space Information" for details on activities, staffing requirements, and capacity.

Additional Space Information

Climbing Center

When booking space in the Climbing Center, groups have two options. Please note: Climbing Center reservations require advanced planning and are contingent on space and staff availability. To ensure your organization's needs are met, please allow at least four weeks advance notice to book space in the Climbing Center. All Climbing Center

reservations include equipment (shoes, harnesses, etc) and instruction from our Climbing staff.

Option 1 - Get on the Wall

Experience the Climbing Center. Learn the basics of harness and shoe fit, and have some unstructured time to climb. Activities include bouldering and top-rope climbing with our belay-certified staff.

2 Hours | Max Participants: 12 | Hourly Rate + 4 Climbing Staff

Option 2 - Learn to Climb and Belay

Diver deeper into rock climbing and learn to belay from our staff, play some climbing games, and spend more time on the wall.

4 Hours | Max Participants: 12 | Hourly Rate + 4 Climbing Staff

Gymnasium

The SRC Gymnasium is a 2-court space that can be configured in multiple layouts and can host a variety of activities. Standard activities include basketball, volleyball, pickleball, badminton, dodgeball, indoor soccer, and lawn games. The gymnasium can also be configured as an alternate event venue space with a floor cover, tables, and chairs. Capacity varies depending on activity - max capacity is 200 people per court when sitting/standing.

Additional Fees:

Floor Cover Setup Fee - \$300

Additional building staff fees (for setup and access) - \$20/hour

Tables and chairs setup fees - TBD

Cleaning Fee - \$100 (not required for all events)

Note: our gym has limited spectator seating and is only outfitted with recreational scoreboards. AV connection is also limited in this space - if an event requires audio or a projector, the group will need to coordinate the set-up.

Esports Hub

The Hub is a 12-station gaming center with high-end gaming computers, furniture, and accessories. Standard games include Apex Legends, League of Legends, Fortnite, Valorant, Rocket League, and more. Participants can log into their own Epic Games or Steam accounts in our hub to access more games.

Suggested Minimum Time: 2 Hours | Max Participants: 12

Note - the hourly rate includes one Esports staff member to instruct participants on logging into the computers and troubleshooting. Additional staffing and programming options should be discussed with Campus Recreation staff prior to the reservation.

Staffing and Access

With the exception of the Climbing Center and Esports Hub, Campus Recreation does not provide facilitation in our spaces. Additional building staff charges will be added for setup/breakdown, and to provide access outside operation hours. Visit our website (recreation.sou.edu/student-recreation-center) for current operating hours.

Additional Staff Charge: \$20/hour

Due to University insurance requirements and availability of staff and space, Campus Recreation does not allow individuals to reserve our spaces for private use (i.e. birthday parties, play dates, etc). Community members can access the SRC by purchasing a Day Pass or Multi-Visit Pass - visit our [Memberships webpage](#) for more information.
